XT/T
type Q-E

Beton – beton

⚠ WAARSCHUWING

Let op voor naar beneden vallend
bouwdelen, omdat de ondersteuning niet
is voorzien. Het balkon moet altijd worden
ondersteund zoals wordt voorgeschreven
na de statische berekening. Tijdelijke
steunen mogen pas worden verwijderd als
de definitieve ondersteuning is geplaatst.

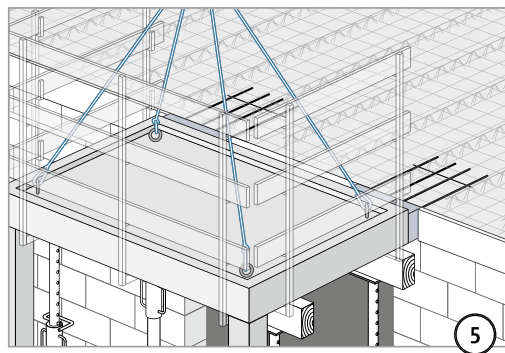

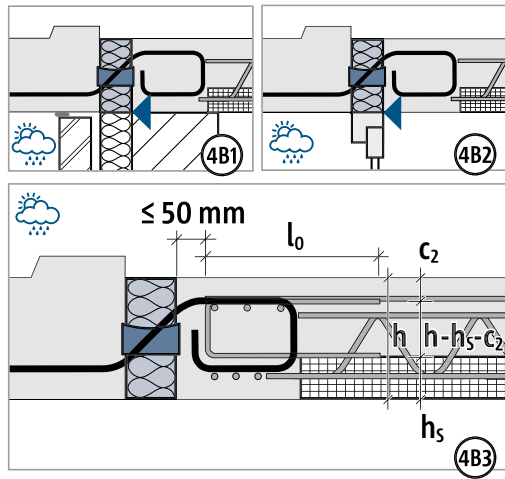

Type Q-E

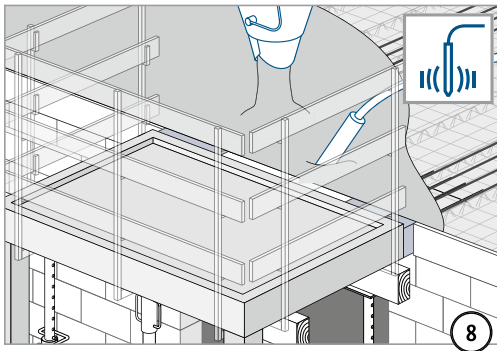

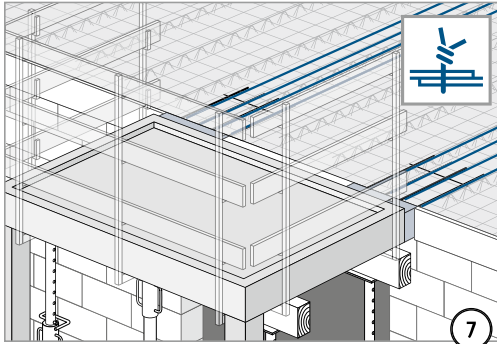

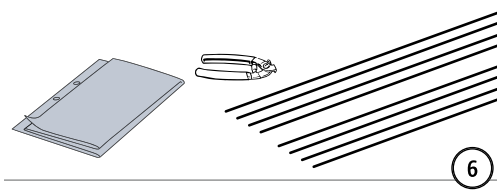

*BE/NL: ≥ 80 mm
Voegbreedte volgens landspecifieke goedkeuring.
Vul de drukvoegen altijd met ter plaatse gestort
beton!
